### The Flag – Susan Caya

The Rainbow flag is the international symbol of cooperatives. The seven colors of the rainbow represent unity in diversity. The flag was adopted by the International Cooperative Alliance (ICA) in 1921 to show that, although each nation is different, cooperatives are united around the globe because they work for social and economic equality, justice and world peace.

Former ICC president Rebecca Nole models the Rainbow flag

### ICC Board

The ICC Board meetings take place on Sundays at 6 pm. The dates this summer will be June 3, June 10, July 8, July 22, and August 5. All Board meetings are in the ICC Education Center, behind Luther House at 1510 Hill St.

### **Had You Any Idea?™ - Garden!**

We (the ICC, meaning you and I) have a community garden! It's a great way to get some experience and have fun working with plants. The Garden is behind Luther House, by the Ed Center.
